

OUR DIFFERENCE

changing lives by changing skin...

Here at Aromatics, we are all about creating the full experience. We pride ourselves on our high standards of care and our professional understanding of what you need. We want you to come in to our space and know that you will always receive a thorough consultation each time and you will leave knowing your skin is in the best hands.

We highly recommend booking a Consultation Appointment prior to any skin needling, peels or body treatments so that our professional and highly trained staff can assess your skin and provide the best possible treatment for you.

OUR POLICIES

We respect that your time is valuable and we appreciate that you understand ours is too. We ask that if you need to cancel or reschedule your appointment you provide as much notice as necessary. Cancellation fees can be applied at our discretion or any appointments cancelled within 24 hours of your scheduled appointment time.

All prices listed are subject to change.

This can only be booked, in conjunction with our Classic Beauty Treatments or Skin Services, this cannot be booked as a standalone treatment.

Foot Massage \$30
Arm Massage \$30

BODY TREATMENTS

There are various body enzymes available to help with bruising, acne, circulation, sluggishness, uneven texture, folliculitis (ingrown hairs, inflammation), fluid retention, lymphatic function and more, starting from \$200.

We recommend booking a consultation to determine what is the best course of action for individual needs.

HIGH PERFORMANCE DERMAL TREATMENTS

We offer many different revision and remodelling treatments (also known as peels). Everything from a gradual approach to our 10-day process is available but all treatments requires a consultation so we can ensure the best course of action is taken. Our point of difference is that we prepare the skin so it's strong & healthy and ensure that you have the correct home care to support your result.

Dermapen Full Face Needling* 60-150 min
Dermapen micro-needling is a sought-after skin renewal procedure that treats a wide range of conditions through breaking down scar tissue, releasing growth factors, inducing healing, increasing collagen and elastin production and improving cell function and regulation. **from \$280**

LED Lightstim* 30 min \$65
Increases blood circulation and oxygenation reduces inflammation, accelerates healing, minimizes the appearance of pores, fine lines and wrinkles.

**Requires a consultation prior to booking*
